# *Let us discover the management of the waste at the level of our municipality*

*Of the theory in the  
practice ...*

# *What becomes our waste?*

# *What becomes the green waste?*

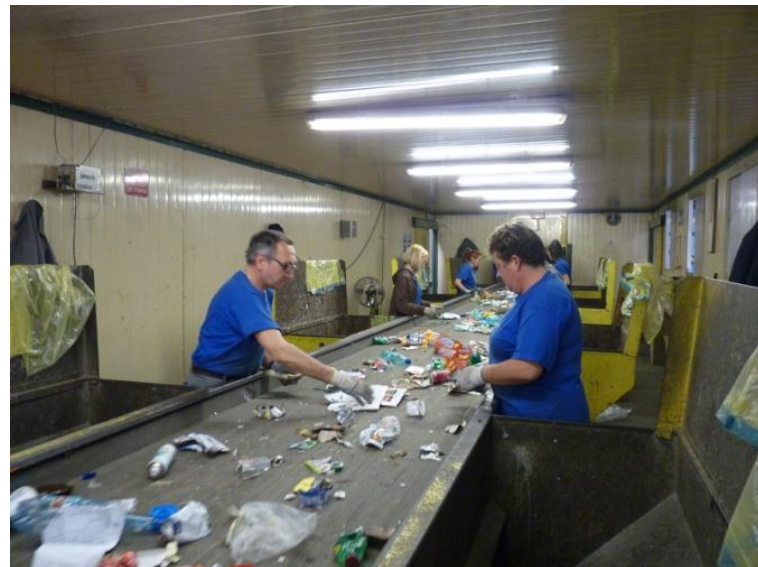

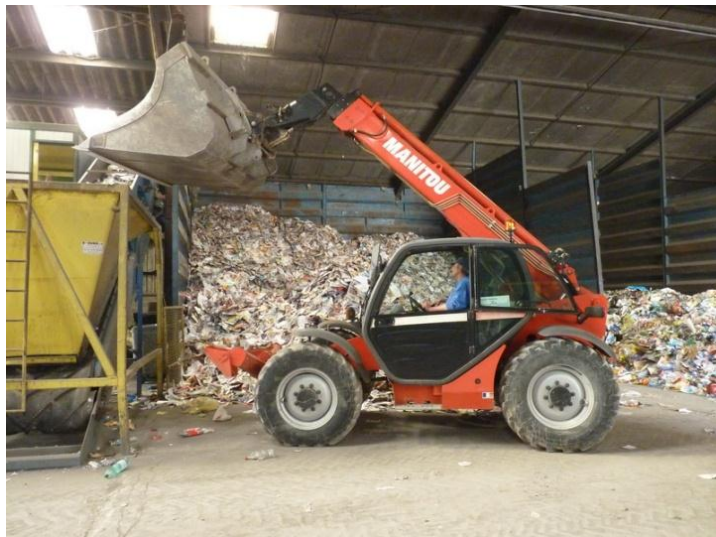

*What  
becomes  
the waste  
not recyclable?*

A treasure for the future  
archaeologists ...

*What becomes  
the recyclable  
waste?*

# *Our ideas to improve the management of the waste*

3 words to change the world :

**REDUCE**  
**RECYCLE**  
**REUSE**
