

## 6A and 6B, collège Pierre Valdo Vaulx-en-Velin (Rhône)

**Making pupils aware  
of ecological issues  
by following  
the Tara Oceans expedition.**

*In a partnership with  
Péniches du Val du Rhône*

# Using a compass and a map

**We followed Tara on the map**

# First stop: the plastic continent

## ● My eco-super hero

## ● Eco-tenses:

*Yesterday, I polluted the river*

*Today, I save the fish.*

*Yesterday, you destroyed the planet,*

*Today, you recycle.*

*Yesterday, she left the lights on,*

*Today, she rides her bike.*

# News from the crew: mail art

**« Dreams of seas and boats »  
We sent postcard to the crew.**

# First expedition: on board the Vorgine.

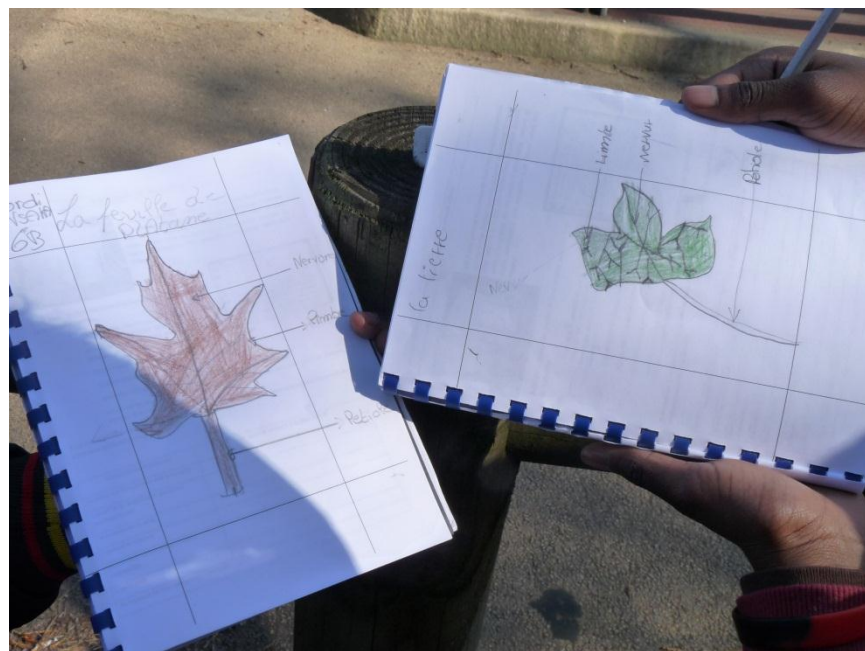

## ● Safety instructions

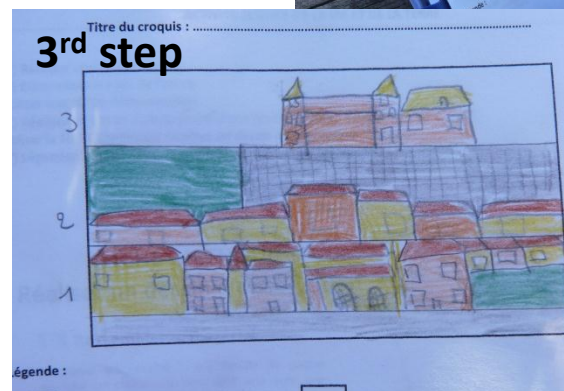

# Let's draw...

## Natural History sketches

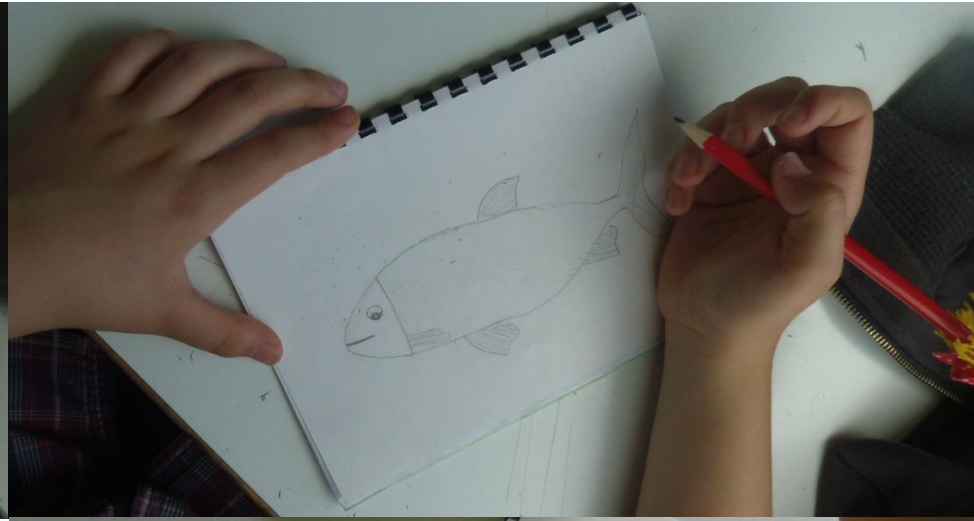

## Landscape sketches at Rochetaillée

## Our crew is off again!

1<sup>st</sup> mission: studying biodiversity on the river Rhône.

# Respect nature and your environment

2<sup>nd</sup> mission : checking the quality of the river Rhône

3<sup>rd</sup> mission : sorting the waste out.

# S.O.S : Save Our Seas
